DO YOU KNOWWW?

Record-Breaking Tunnel

The Atal Tunnel (9.02 km) is the world's longest highway tunnel above 10,000 feet, and you'll drive right through it on your Snow Day.

Dev Bhoomi

Himachal is called the "Land of Gods," and almost every village has its own local deity.

Little Lhasa

McLeodganj is home to the Dalai Lama and the Tibetan government-in-exile, which is why it feels like a slice of Tibet in India.

Dussehra That Starts Late

Kullu's famous Dussehra begins on the day the rest of India's celebrations end, and it goes on for 7 days.

Apple Story

Himachal's famous apples came from an American, Samuel Evans Stokes, who planted the first orchards at Kotgarh in 1916.

Nature's Kitchen

The hot springs at Manikaran are so hot that the Gurudwara cooks rice for its langar right in the spring water.

Officially Mini Switzerland

In 1992, a Swiss diplomat declared Khajjiar the "Mini Switzerland of India," and a stone from Khajjiar was sent to Switzerland as a keepsake.

Temple of a Demoness

Manali's Hidimba Temple, built in 1553, is dedicated to Hidimba, the wife of Bhima from the Mahabharata.

Mini Israel

Kasol is so popular with Israeli travellers that many café menus and signboards there are written in Hebrew.

Cricket in the Clouds

Dharamshala's stadium is one of the most scenic in the world, with snow-capped peaks behind the pavilion. Himachal is also home to Chail, the highest cricket ground in the world.

Come see them for yourself.

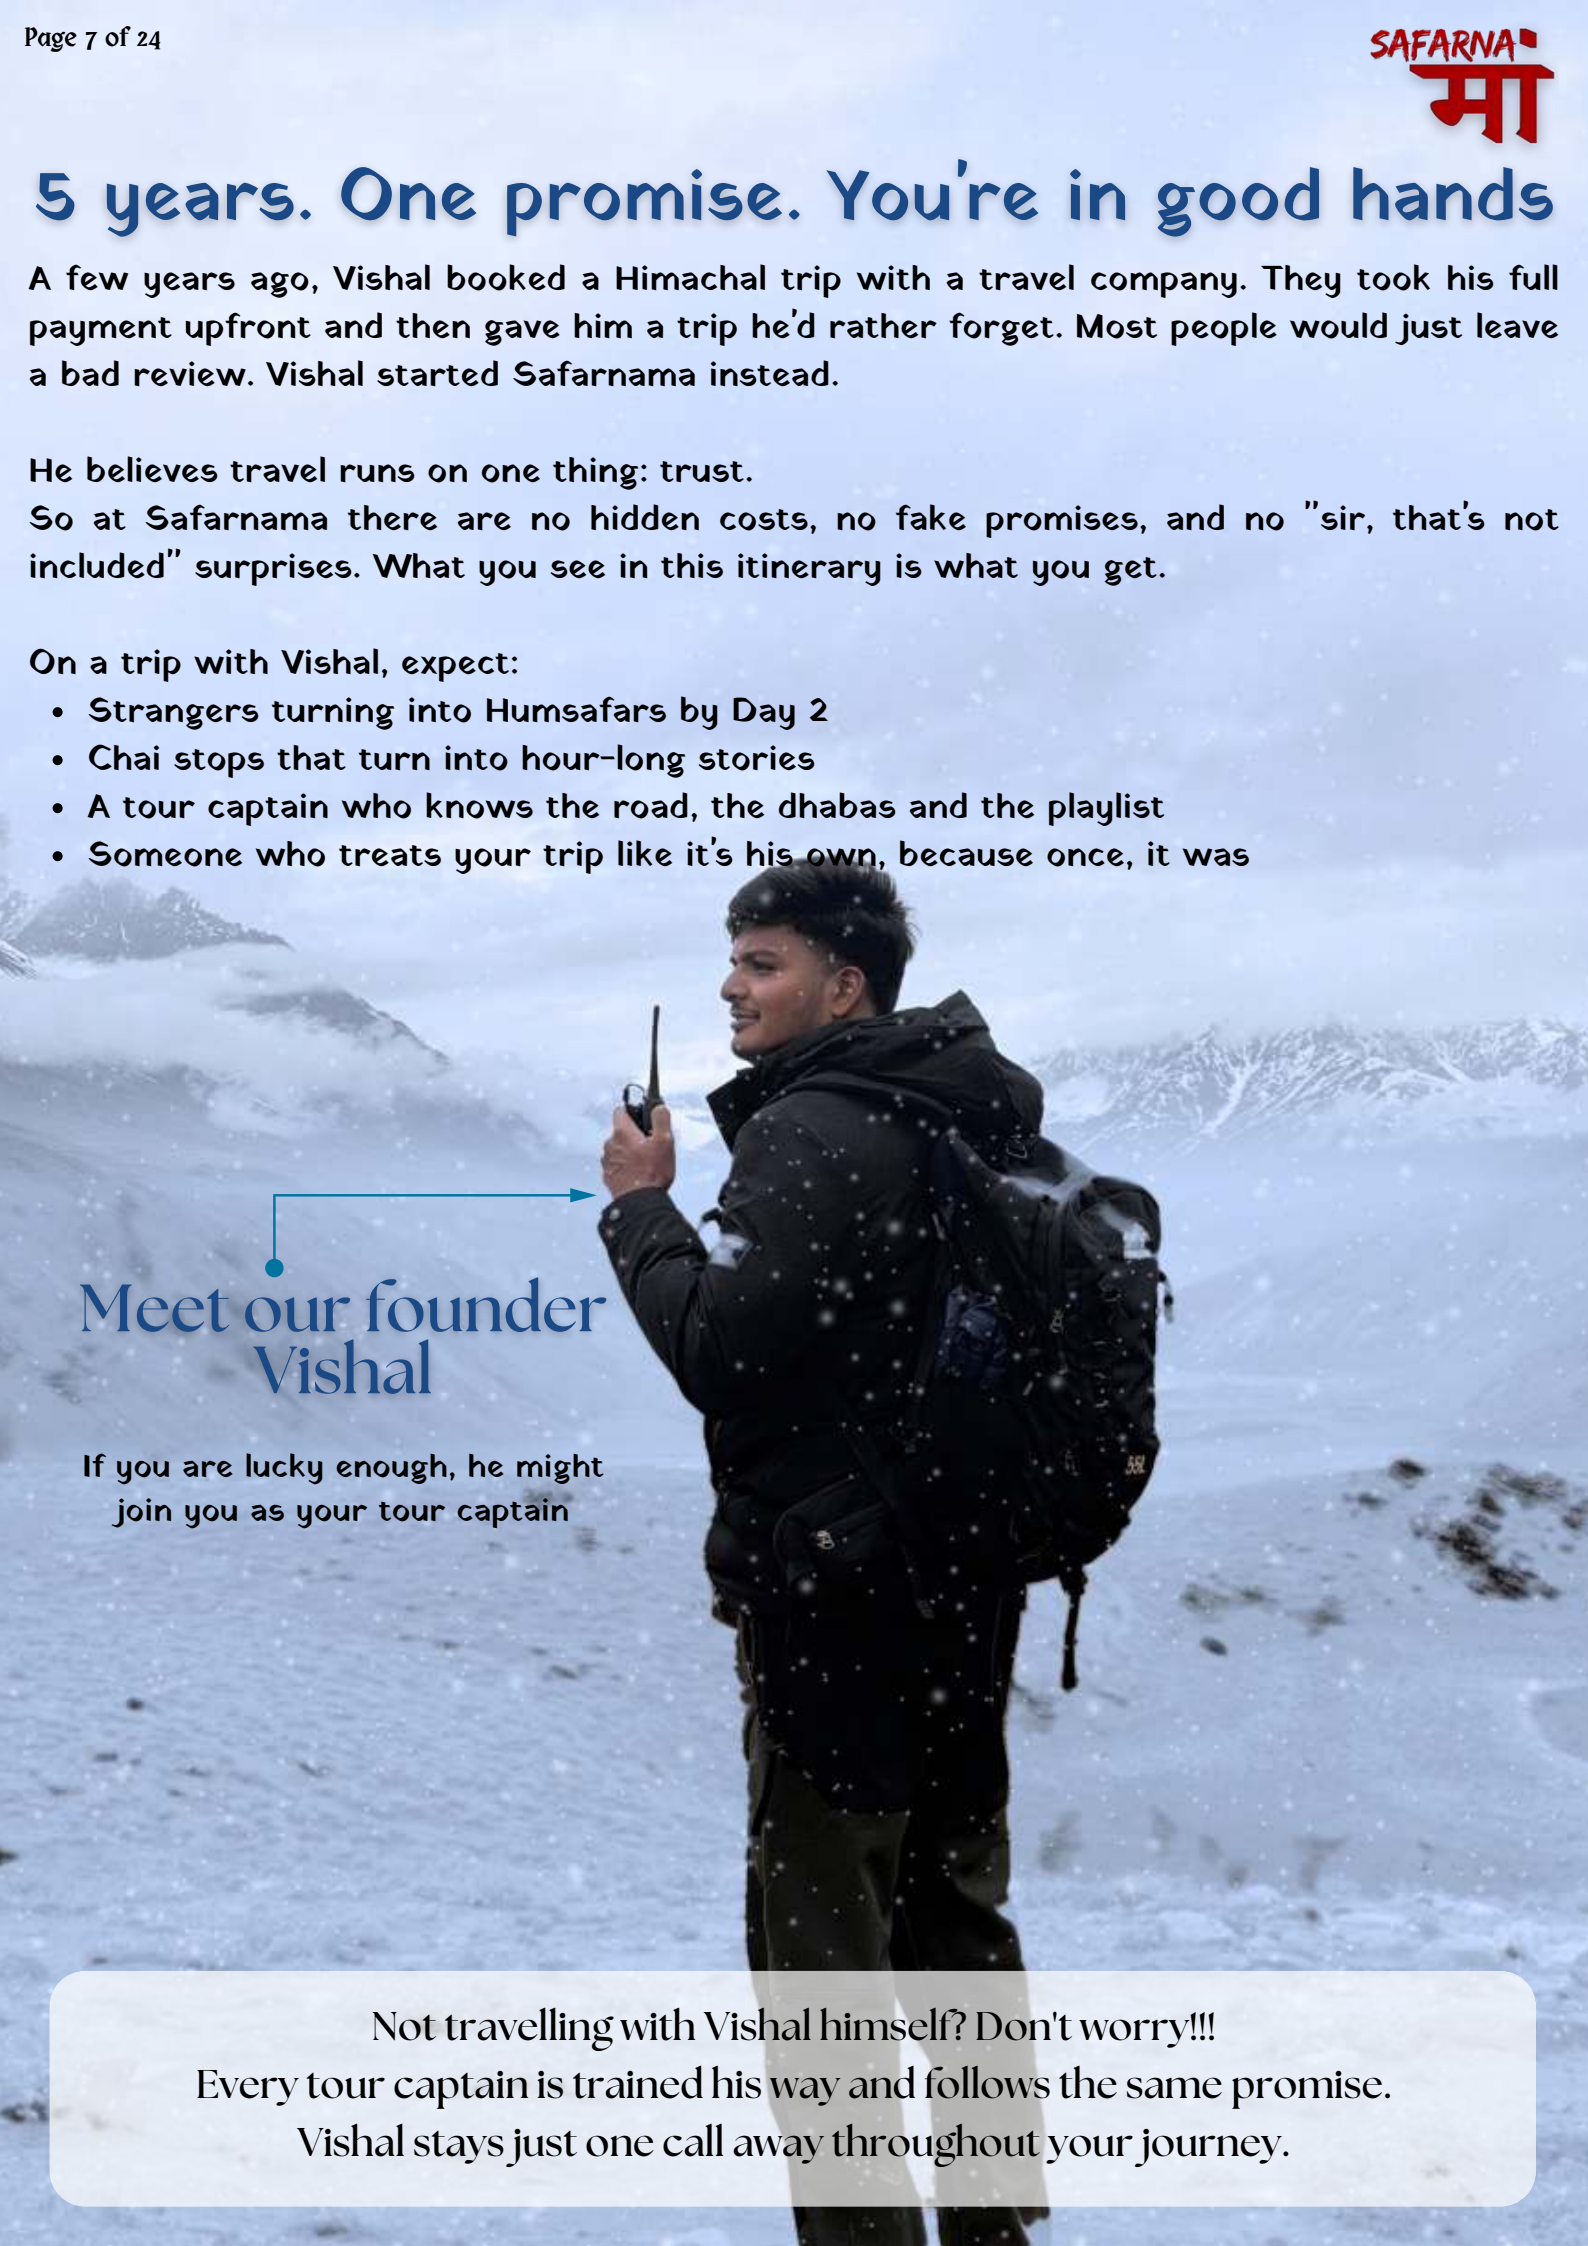
5 years. One promise. You're in good hands

A few years ago, Vishal booked a Himachal trip with a travel company. They took his full payment upfront and then gave him a trip he'd rather forget. Most people would just leave a bad review. Vishal started Safarnama instead.

He believes travel runs on one thing: trust.
So at Safarnama there are no hidden costs, no fake promises, and no "sir, that's not included" surprises. What you see in this itinerary is what you get.

On a trip with Vishal, expect:

- Strangers turning into Humsafars by Day 2
- Chai stops that turn into hour-long stories
- A tour captain who knows the road, the dhabas and the playlist
- Someone who treats your trip like it's his own, because once, it was



Meet our founder Vishal

If you are lucky enough, he might join you as your tour captain

Not travelling with Vishal himself? Don't worry!!!
Every tour captain is trained his way and follows the same promise.

Went to Manali with Safarnama and had a great experience. We did trekking, covered all the major spots, and the stay locations were perfect with beautiful scenery that was totally worth it.

Vishal was more like a friend than a guide, spontaneous, helpful, and always clicking our photos without even asking, which was really appreciated. Would love to do more trips with

I really enjoyed my Manali trip with Safarnama. Everything was planned nicely and the stay was much better than I expected. All the hotels were clean, comfortable, and well maintained. Even the camping hotels felt like 4-star properties.

A big thanks to Vishal, who truly went the extra mile for us. He made sure we got to see snow in Manali and took great care of us throughout the trip. During our return, there was heavy snowfall and many travelers were stuck, but Vishal managed the travel so well that we were able to move safely and catch our flight on time.

Overall, it was a smooth and memorable trip. I'm really happy with the service and would definitely recommend them to anyone

Before booking, I had inquired with quite a few travel companies, but after speaking with Vishal, I was convinced within just 10 minutes. The way he explained the Spiti trip, answered my questions, and shared his knowledge gave me complete confidence.
Vishal is an excellent guide. He made sure we experienced every major attraction, exciting activity, and beautiful stop along the way. At 41, I truly felt 21 again! I found myself enjoying all the fun activities without any fear of being judged, and that made the trip even more special.
The food was delicious, the homestays were comfortable, and the entire trip was very well organized. I also had a last-minute request for a separate room, and it was accommodated without any hassle. Thank you, Vishal, for making

We recently traveled to Himachal Pradesh with SAFARNAMA.

A well planned trip , Good food , luxurious hotel stays , local sightseeing we had the best of everything thanks to Vishal.There's this line Vishal says, "There is no fear when Vishal is near," and we felt that. He made sure that we were comfortable through out our whole trip. He made sure to capture our candid photos , we doesn't even have remind him to take pictures. He never felt like a tour manager he felt like a very close friend who will care for your well being.

A special thanks to Jashanpaji "jo gaddi chalate nahi udate hai" made our road journey thrilling , beautiful and joyfull. And laddibhai who became our personal photographer and captured our most beautiful moments.

We decided that whenever we are planning our next trip we are planning it with SAFARNAMA and also recommend you to do

They went above and beyond for our comfort and did everything they could for the whole group unlike most travel agencies who just try to cover spot and finish the trip.The quality of hotels and comfort of traveller seats is really amazing in this budget.
